My Tasks

When the My Tasks tile has an orange number displayed in the top right hand corner it means that there are tasks that need to be completed.

The example to the right has two outstanding tasks.

Click on the My Tasks tile. All mandatory questions will be listed on the left-hand side.

The screenshot shows a user interface with a search bar at the top left. Below it, there are two task cards, both labeled 'MANDATORY'. The first card says 'Provide your reason for studying' and 'Requested Friday'. The second card says 'Provide your reason for studying' and 'Requested 3 weeks ago'. To the right of these cards is a 'Response' section with a heading 'Study Reason Details' and a text input field labeled 'Study Reason*'.

Provide your response to any questions then click save after each question.

This screenshot shows the same interface as the previous one, but now the 'Study Reason*' input field contains the text 'To get a job'. At the top right of the response section, there are two buttons: 'Cancel' and 'Save'.

You will know when all your tasks have been completed when the My Tasks tile no longer displays a number.

This concludes the overview of the tiles in your student portal. If you are having any problems or would like further information please contact on 1300 300 822 or via email enquiry@nmtafe.wa.edu.au
