

Printing on NMTAFE printers using an Android Device.

Printing at TAFE from your own device, requires you to be connected to the TAFE WIFI. For information about connecting select, [how to access the Campus WIFI](#).

Information about printing costs and adding funds to your printing account select, [printing, photocopying and scanning, at North Metropolitan TAFE](#).

To print on Campus, Android devices are required to download Papercut's Mobility Print App. The app is available to download from the Google Play Store, **scan or click** on the QR code below.

After you have installed the application **Open** the Mobility Print app and **turn on** notifications.

To print:

1. **Select** the print option of the item you intend to print.
2. **Choose** 'NMT_FollowMe' as the printer
3. **Change** any print options by selecting the arrow.

Note: Colour printing is the default setting which incurs additional costs

4. **Select** the printer icon

5. **Select OK**

Your print job can take up to 5-10 minutes to arrive at the printer.

6. **Login** to the printer and print.
